

TESTIMONIALS

Subject: 2008 Procurement Expo - New Jersey City University

The Procurement Expo was successful yesterday because of the large Turn out of vendors. Thanks to Stephanie Burroughs and the staff at NJSBDC for coordinating a fine program. The vendors seemed very eager for information on how to do business with the New Jersey Turnpike Authority.

Nice job today - as usual! I was very glad to attend what appeared to be a successful event.

Thanks for all that you do.

Subject: Congratulations and Thank You

Stephanie, congratulations on yet ANOTHER great expo. I had some outstanding conversations with exhibitors, a fantastic roundtable discussion with Novartis, and had some terrific networking with the very friendly and enthusiastic crowd. Thank you so very much...these expos are so terrific for a small business like mine. When would I ever get to have face time with Novartis, NJ Transit, and Skanska to name just a few.

Congratulations on a great event. This was my first time attending. It was well organized and I made a lot of great connections. See you next year!

Subject: RE: 17th Annual Procurement Expo Exhibitor Confirmation

Date: 20/06/08 08:54

Stephanie,

Thank You for inviting us to participate in the EXPO. It turned out to be a great event with many attendees. I'm confident that we will be able to help some businesses with our products and our expertise in the market. We would be interested in participating in similar events in the future and please feel free to call me with any comments or questions.

Thanks again,

Hi Stephanie,

It was pleasure meeting you yesterday. The show was very helpful – some of the City/Federal officials were very helpful & the sessions informative.
