

Attendees of the 6/5 seminar hosted by the Picatinny Innovation Center will have to stop at the Visitor's Center for a visitors pass and should allocate at least 20 minutes for that activity. In order to obtain a visitor's pass you will have to E-mail your license number and license plate number, along with the make and model of your car to [Imoses@andromeda.rutgers.edu](mailto:Imoses@andromeda.rutgers.edu) by 1:00 pm on Wednesday, June 4. Upon obtaining the pass, your vehicle will have to pass through a security checkpoint on your way on to the base.
