

**Wednesday,
September 18, 2019**

8:30 am - 5:00 pm

**Rutgers University,
New Brunswick**

The 2019 SBIR Road Tour is a national outreach effort connecting entrepreneurs working on advanced technologies to the country's largest source of early stage funding – the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs. Also known as America's Seed Fund, the SBIR/STTR programs provide over \$3 billion in funding to small businesses each year in a wide variety of technology areas.

Each SBIR Road Tour stop will provide attendees with an opportunity to hear directly from the participating federal agency program managers that administer over 5,000 new awards annually and to meet one-on-one with program decision makers.
